Great, now let's verify your identity

We need your photo to match it with your ID document.

Align face

Position your face within the oval frame.

Enough light

Make sure you are in a well-lit area.

Clear face

Remove hats, sunglasses, or anything covering your face.

Great, now let's verify your identity

We need your photo to do this, **here are some tips.**

Camera

Align your face
in the frame

Wear face

Remove hats
and glasses

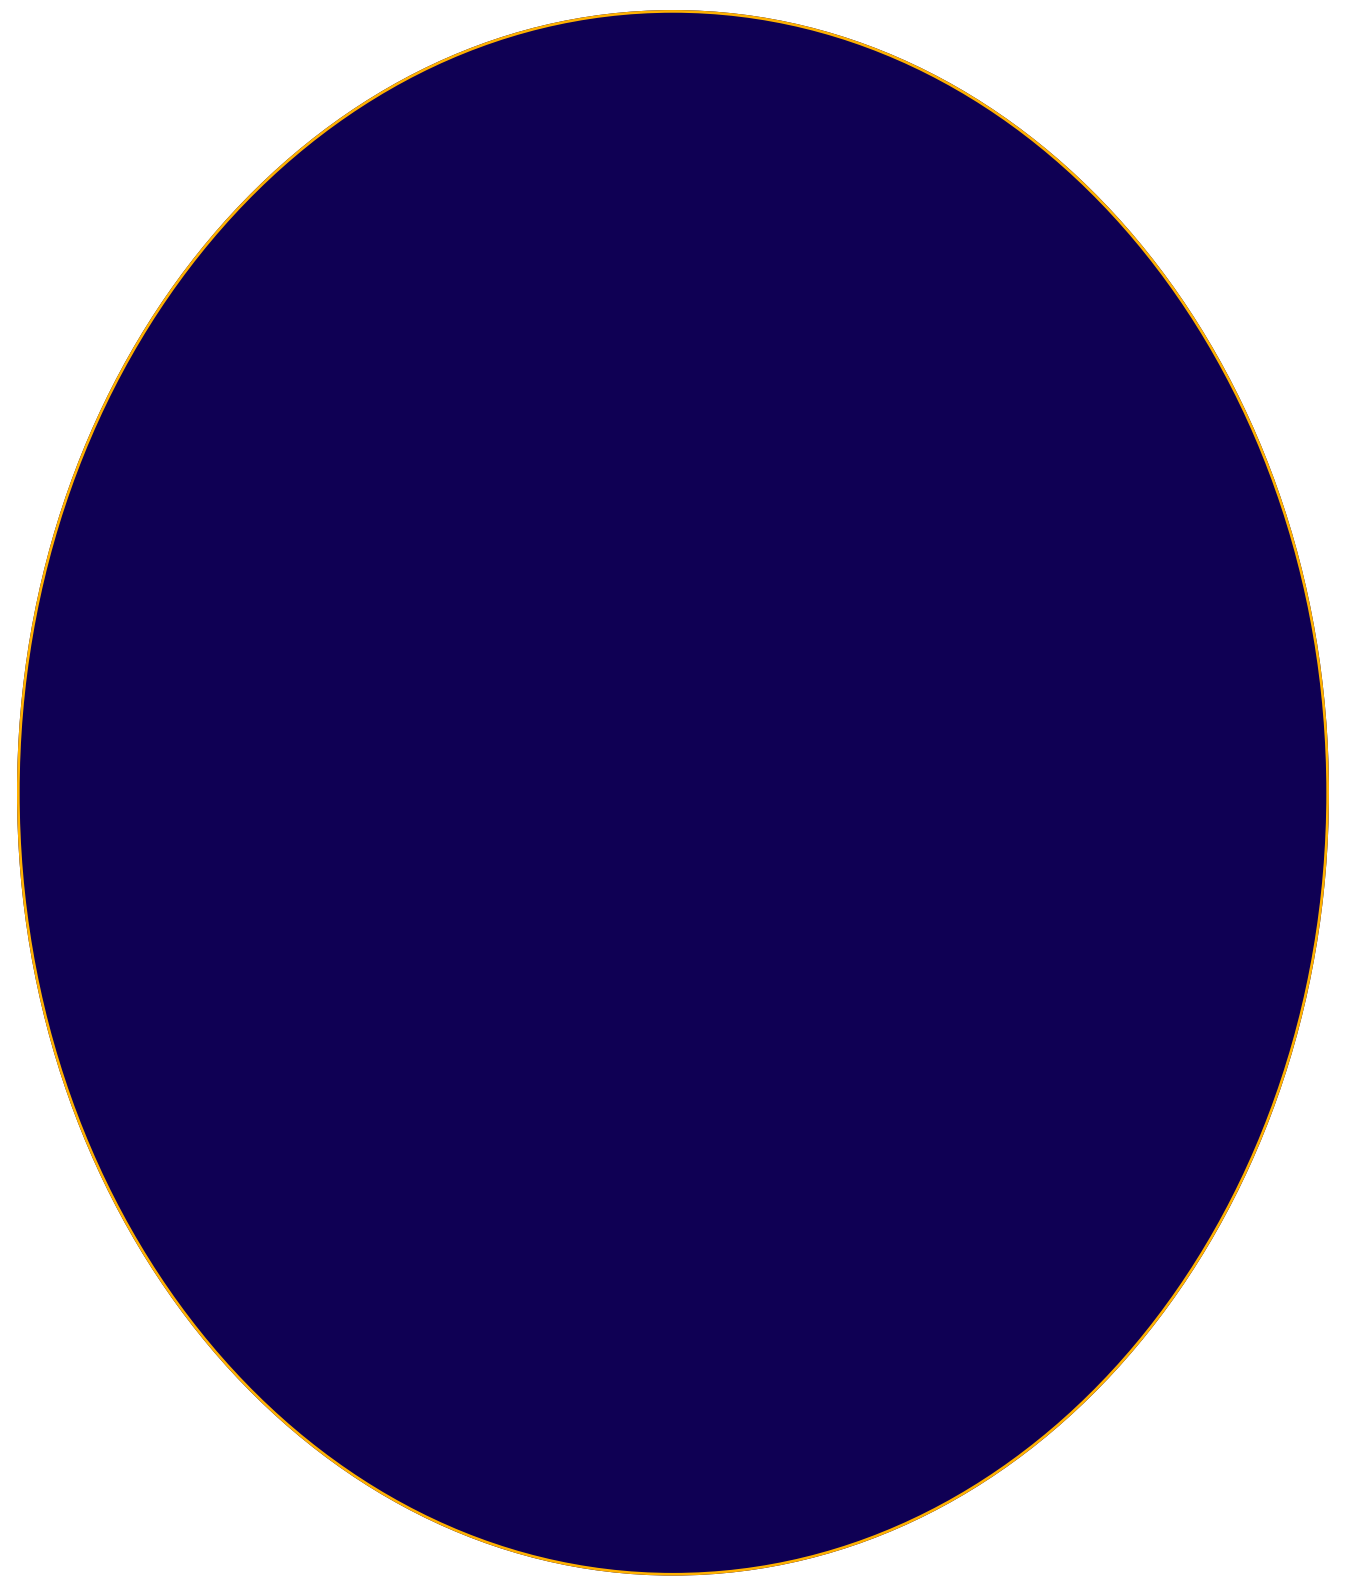

**“It’sLearnable” would like to
access your camera**

We need it to detect and scan your
face. We won't look at your photo
gallery.
